Turn left off of Highway 45 onto state road number 708 which leads to Angels Boat Landing and to the Cross Generating Station. There will be a brown sign on Highway 45 on the right that says Cross Generating Station. After turning left onto state road number 708, go approximately 1.5 miles and turn right at the entrance to the Cross Generating Station which is just before you cross the railroad tracks. Hunters should park on the grass at the head of the entrance on the right-hand side.

If you are coming from the Cross area east on Highway 45, the turnoff onto state road number 708 is approximately 1.4 miles after you cross the diversion canal. Follow above directions once you turn onto state road number 708.
